

Software Request Form

This form is used to request that new software be acquired for use at the Ohio Supercomputer Center.

Open-source software of interest to individuals or single research groups should be installed and maintained by the individual or research group of the individual's home directory.

Complete this form and forward to:

oschelp@osc.edu

Attention: Software and Activities Committee

The requestor will be notified in 3-4 weeks as to the status of the request.

For more information, please call OSC Help Desk at (614) 292-1800.
